Innovative Waste Solutions

Multi Supplier National Dynamic Purchasing System

Reference DPS08/IWS/20/AB FTS Notice ref: 2021/S 000-016683

What...

The Countess of Chester Hospital Commercial Procurement Services has awarded a multi-supplier national dynamic purchasing system for Innovative Waste Solutions.

Appointed suppliers offer innovative solutions for waste management, minimisation and/or the disposal of waste and associated services.

Solutions reduce waste produced, increase recycling, and otherwise reduce the environmental impact of waste produced by users.

Who...

The DPS can be used by any Public Sector organisation. New suppliers can apply to join the DPS at any time.

How...

The DPS will operate for a period of four years. Users must run a completely electronic further competition inviting all capable suppliers to take part. The high-level process is:

- 1 Develop a Statement of Needs / initial Project Specification
- 2 Decide approach to selecting Suppliers
- 3 Participant workshops / Pre-competition engagement (optional)
- 4 Develop the Call for Competition Bid Pack
- 5 Supplier Capability Assessment
- 6 Issue a Call for Competition
- 7 Evaluate tenders
- 8 Provide feedback and evaluation scores to Suppliers
- 9 Request a Unique Reference Number
- 10 Award the contract to the successful supplier and confirm the award to Commercial Procurement Services
