### How...

This Framework Agreement is offered in 2 Lots. Public sector bodies can select the most appropriate Lot for their requirement.

#### **Lot 1: Promotional Windows Based Salary Sacrifice Schemes**

This Lot is designed for Participating Organisations who prefer to concentrate their salary sacrifice schemes around specific events or specific times of the year.

Promotional windows may be seasonally-based (e.g. Easter, summer holidays, back to school, Christmas) and/or based around particular events, such as major sporting championships.

#### **Lot 2: Always Open Salary Sacrifice Scheme**

The salary sacrifice scheme is permanently available to employees of a Participating Organisation. This allows employees to take advantage of the scheme at a time which suits them.
