Commercial Procurement Services

Carbon and Energy Infrastructure Upgrades

Multi Supplier National Framework Agreement F/023/CEF/22/SM

Public Sector organisations do not pay the framework manager to use this framework.

What...

The Countess of Chester Commercial Procurement Service has let a multi supplier national framework agreement in conjunction with the Carbon and Energy Fund Limited (CEF) for the provision of Carbon and Energy Infrastructure Upgrade Services.

This framework is designed to deliver infrastructure upgrades that guarantee energy, carbon and cost savings.

Who...

We are working with the CEF to deliver this framework. With a proven track record and in-depth experience of procurement, engineering, legal and finance, the CEF has successfully guided many public sector clients through the complex processes involved.

How...

The route to working with us and utilising this framework is to contact us. We will put you in touch with the CEF. You then apply for membership of the CEF, making all the support of the CEF available for the entire procurement, installation and savings monitoring period of the contract. The five stage process is outlined below

Stage 1: Membership of CEF

Stage 2: Invitation to Mini-Competition

Stage 3: ITT and Contract Close

Stage 4: Construction

Stage 5: Performance Contract Management
