Commercial Procurement Services Radiology Capacity Management Solutions

Multi Supplier National Framework Agreement

F/026/RAD/23/AB / FTS Ref: 2023/S 000-030991

NHS Trusts do not pay the framework manager for use of this framework

What...

The Countess of Chester Hospital Commercial Procurement Services has awarded a multi supplier national framework agreement for the provision of radiology capacity management solutions.

This framework is designed to reduce costs and increase efficiency through effective capacity management and utilisation of resources. This will reduce waiting lists and improving patient pathways.

The Lots are:

Lot 1 - Radiology Capacity Management Solutions

Lot 2 - Radiology Capacity Management Solutions with Rent to Own Equipment

How...

The Framework Agreement is offered in 2 Lots and will operate for 2+1+1 years. Contracts will be awarded following further competition.

The framework manager will issue a briefing pack describing how to award a contract under the framework agreement, along with all the information you will need to award and a template call-off contract.

Once you are ready to award, the framework manager will issue you with a unique reference number and you can complete the contract.
