National Framework Agreement for the provision of Capsule Endoscopy Managed Services

Reference F/067/CEMS/PJ

Framework Period: 22nd September 2022 – 21st September 2024

FTS Contract Notice ref: 2022/S 000-014912

What...

The Countess of Chester Hospital Commercial Procurement Services has awarded a national framework agreement for the provision of Capsule endoscopy Managed services. Capsule endoscopy is a diagnostic test used to examine the gastrointestinal tract and check for small bowel disorders and conditions such as Crohn's disease, polyps and malabsorption. The procedure is an alternative to traditional endoscopy and could provide a better patient experience.

Who...

The framework offers a fully compliant route for all NHS Organisations.

How...

This Framework Agreement will operate for 2 years initially with the option to extend this for a further 12 months in annual increments up to four years in total, contracts may be awarded by direct call-off by following the process below

Step 1 — Contact us for a copy of the Framework Briefing Pack and contact the Relevant suppliers to discuss your requirements.

Step 2— Once the scope of the call-off is agreed we will issue you with a unique framework order reference number along with a copy of the call-off contract agreement.

Step 3 — Award and sign the call-off contract.
