What...

The Countess of Chester Hospital Commercial Procurement Service has set up a multi supplier, multi lot framework agreement for the provision of refurbished electronic devices and repair services which is available to access at no charge, by any public sector body. The aim of the framework is to provide a sustainable and cost-effective method to extend the life cycle of electronic devices. By using electronic devices for longer there will be a reduction in the environmental impact from the decrease in the quantity of devices created and disposed of each year.

The Lots...

Lot 1: Repair of mobile electronic devices

Lot 2: Supply of refurbished mobile electronic devices

Lot 3: Complete Service – Repair of mobile electronic devices and supply of refurbished mobile electronic devices

How...

This framework is easy to use, with only 6 simple steps.

Step 1 – Contact us for a copy of the Framework Briefing Pack.

Step 2 – Select which lot meets your requirements.

Step 3 – Review the catalogued information from each of the suppliers, apply your weighting and determine who your first ranked supplier is.

Step 4 – Contact the best fit supplier to finalise terms.

Step 5 – Request a call off reference number from us.

Step 6 - Sign off and award call-off
