What...

The Countess of Chester Hospital Commercial Procurement Services has awarded a national framework agreement for the provision of an Enteral Feeding Accessories Delivery Service. Traditionally, organisations have obtained the accessories alongside the main enteral feed items. This framework will provide an alternative procurement route for organisations looking to source enteral feed accessories separately to the main feed items. Enteral feeds will not be provided under this framework.

Who...

The framework offers a fully compliant route for all NHS and public sector bodies. Services are provided by:

How...

This Framework Agreement will operate for 4 years. As this Framework Agreement has been awarded to only one supplier, contracts may be awarded by direct call-off by following the process below

Step 1 — Contact us for a copy of the Framework Briefing Pack and contact the Supplier to discuss your requirements.

Step 2 — Once the scope of the call-off is agreed we will issue you with a unique framework order reference number along with a copy of the call-off contract agreement.

Step 3 — Award and sign the call-off contract.
