Commercial Procurement Services Infection Control Clinical Surveillance System

National Framework Agreement
Reference F/086/ICCSS/22/MH
Framework Period: 13/02/2023 – 12/02/2026
With option to extend until 12/02/2027

What...

The Countess of Chester Hospital Commercial Procurement Services has awarded a national framework agreement for the provision of an Infection Control Clinical Surveillance System. The system will support infection prevention and control activities to identify critical issues, proactively respond to improve the quality of care and streamline processes to reduce time spent on administrative and reporting tasks.

Who...

The framework offers a fully compliant route for all NHS and public sector bodies. Services are provided by:

How...

This Framework Agreement will operate for 4 years. As this Framework Agreement has been awarded to only one supplier, contracts may be awarded by direct call-off by following the process below

Step 1 — Contact us for a copy of the Framework Briefing Pack and contact the Supplier to discuss your requirements.

Step 2 — Once the scope of the call-off is agreed we will issue you with a unique framework order reference number along with a copy of the call-off contract agreement.

Step 3 — Award and sign the call-off contract.
