What...

The Countess of Chester Commercial Procurement Service has let a multi-lot, multi-supplier national framework agreement for the provision of centralised advice and repeat prescription hubs for patients with a stoma or long-term catheter, and a pre- and/or post-operative care support service to support stoma patients.

The framework offers a fully compliant route for all public sector bodies to access this service. Direct call-offs with the supplier may be made without the need to open up further competition.

How...

This Framework Agreement is offered in 5 Lots and will operate for four years. Users may decide whether to use direct award or further competition.

1. Contact us for a copy of the Framework Briefing Pack.
2. Select which Lot meets your requirements.
3. Develop a Statement of Requirements.
4. Either determine the best fit supplier, or run a further competition process.
5. Contact the best fit or winning supplier to finalise terms.
6. Request a call off reference number from us.
7. Sign off and award call-off

Who...

The framework offers a fully compliant route for all NHS bodies (and any future successors to these organisations) in England and Wales.
