Commercial Procurement Services Inventory and Cost Management System

Single Supplier National Framework Agreement
F/024/IMS/15/RB OJEU: 2015/S 172-313471

NHS Trusts do not pay the framework manager for use of this framework

What...

The Countess of Chester Commercial Procurement Services has let a single supplier national framework agreement for the provision of an Inventory Management System.

This framework is designed to deliver an all-encompassing, fully vendor managed and integrated inventory and cost analysis system. This will drive efficiency in supply chain management.

Who...

This framework is available to any public sector body.

All services are supplied by:

How...

This is a single supplier framework, as such direct call-offs with the supplier may be made without the need to open up further competition

This framework is easy to use, with only three simple steps.

Stage 1: Contact us to express an interest in using the framework

Stage 2: We will issue you with a unique framework order reference number and model contract template

Stage 3: Your organisation will work with Genesis directly, making reference to the unique framework order reference number on all call-off contract and purchase order paperwork. You are free to tailor the solution to your specific Trust's needs, encompassing as little or as many elements as necessary.
