

Framework Benefits

- ⊕ EU compliant single supplier access requiring no further competition
- ⊕ Free to use
- ⊕ Large annual cost savings. The Noctura 400 Sleep Mask is a fraction of the cost of current laser procedures and intravitreal injections
- ⊕ Improved patient experience with this non-invasive treatment, administered at home
- ⊕ Earlier intervention could avoid disease progression
- ⊕ Option to treat in Primary Care setting and reduce secondary care referrals
- ⊕ Late stage intervention as adjuvant treatment reduces number of current procedures
- ⊕ Increased clinic capabilities
- ⊕ Reduced clinic waiting times
- ⊕ More information at www.noctura.com

Commercial Procurement Services

Supply of a Sleep Mask for the Treatment of Diabetic Retinopathy and Diabetic Macular Oedema

Single Supplier National Framework
F/027/SM/15/SR OJEU: 2016/S 226-411019

What...

The Countess of Chester Commercial Procurement Services has awarded a framework agreement for the supply of a Sleep Mask for the Treatment of Diabetic Retinopathy and Diabetic Macula Oedema. Diabetes costs the NHS over £10 billion per annum. This equates to 10% of the total healthcare budget, with a large portion spent on treating eye disease.

Through the appointed supplier Polyphotonix Medical Ltd, organisations will have the opportunity to achieve cost savings and improve patient pathways through the use of the Noctura 400 Sleep Mask which treats Diabetic Retinopathy and Diabetic Macular Oedema reducing the need for current treatments which are invasive and very expensive. The sleep mask is designed and manufactured in accordance with ISO13485 and CE certified in accordance with the Medical Devices Directive 93/42/EEC - Class IIa Products.

Who...

This is a single supplier framework, as such direct call-offs with the supplier may be made without the need to open up further competition. It has been awarded to:

How...

Step 1: Contact us to express an interest in using the framework.

Step 2: The framework manager will issue a reference number and model call-off contract (based on standard NHS terms).

Step 3: The organisation will work with Polyphotonix Medical Ltd. You are free to tailor your requirements to your specific service needs.
